1. Place Tableaux[®] grille face down (i.e. detailed carved side down).
2. Position the picture hanger rings on the upper right and upper left portion of the frame as shown in picture 1. Detailed close up shown in picture 2. We recommend always using 2 picture hangers per piece.
3. Pre-drill a hole for the wood screw provided using a 3/32" drill bit (Picture 3).
4. Secure picture hanger ring with the screw provided (Picture 4).
5. Install corresponding hanging screws or hooks (not provided) on the wall.
